- Real Red – 5 3/8" x 4 1/8"

- Most Adored Designer Series Paper (Flirty Flamingo with small wreaths) 1 1/2" x 5 1/8"

Assembly Directions:

- Fold card base and burnish with bone folder
- Run Real red panel through die cut machine if using embossing folder, if not a good option would be to stamp a random pattern using the wreath stamp and Real Red ink. This will give a pretty subtle background creating some texture. Attach to card front.
- Attach the Flirty Flamingo Designer Series Paper to the narrow white panel then to card.
- Stamp wreath image on small square panel using Smoky Slate ink. This will give a softer look than Memento Black. Color with Soft Seafoam and Flirty Flaming Blends. Attach to Flirty Flamingo square if not using dies. If using dies cut out with the square that matches the size of the white square and cut the Flirty Flamingo out using the next size up.
- Attach to the larger Basic white then to the card front. Using dimensionals will make it pop!
- Add a few rhinestones as shown and tie a bow with the bakers twine, attaching with a glue dot.
